Advancing Higher Education Leadership

**Executive Search and
Leadership Development
for Higher Education**

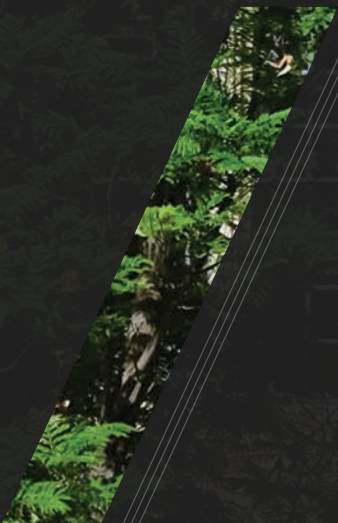

Colleges, universities, and related foundations need exceptional leaders who will effectively advance their missions.

AGB Search specializes in providing tailored executive search and leadership development services exclusively for the higher education sector.

Find the Right Leader for Your Institution

We pair our executive search expertise with your deep organizational knowledge to identify leaders best positioned to strengthen your institution and guide it successfully into the future.

Founded by the Association of Governing Boards of Universities and Colleges (AGB) in 2010, AGB Search has a unique understanding of the qualities essential for today's leaders and the importance of shared governance in the hiring process.
